

WSEI University

WSEI WELCOME CENTER

The Welcome Center is the first point of contact with the University for foreign students and staff arriving in Poland to study at the WSEI University in Lublin. Here, students and academic staff gain the necessary information and access to tools that will facilitate their integration into the academic community of the University.

THE MAIN TASKS OF THE WSEI WELCOME CENTER ARE:

- Providing access to the **necessary information** for international students and visitors
- Organizing **help and mentoring** for international students
- **Planning and organizing** integration and educational events
- **Increasing the internationalization** of the WSEI University and enhancing its reputation both in the region and in Europe
